CHAIR'S MESSAGE

Hi to everyone,

Isn't springtime awesome? I love getting my yard looking good again. My next project is getting my raised garden planted with veggies. I grow them with my daycare kids. We will go out and pick and wash them for lunch. We all love it and it is a good learning experience for the kids.

I hope you will mark your calendars to come to our neighborhood meeting. We want to get more neighbors involved to make sure we solve any issues and let you know what we are doing to try to make our neighborhood great. But we can't keep doing it without all of your help.

As most of you know, our neighborhood has put in 3 Mutt Mitt stations on the Interurban Trail from Wetmore to Pinkerton St. with our city grant money. We also keep them stocked with bags. Most of you dog owners use the stations, but there are some people that don't. I am asking that if you see someone who doesn't pick up after his or her dog, to please ask that they do so and if they don't have a bag tell them where free bags are located...Wetmore, Pinkerton St. and Beverly Blvd. Each station has a garbage can. "If your doggie releases, please pick up the pieces". Thanks!

We as a neighborhood want to keep our part of the trail clean and looking good. We work hard doing a main trail cleanup at the beginning of spring and try to keep it clean throughout the year. We have a sign-up sheet for volunteers to help us. Please come to the meeting and see what dates are still available. If you are not able to come but still want to help, please contact me with your information. – Barb Bowen

Barry Martin is going to speak on the REAL stories of Parks and Recs. He is a great speaker and this will be very interesting to us all. I am sure it is not like the TV show.

Now that it is spring, and summer is around the corner, get excited for all the things you can do. Make sure to check out our city's website at Everettwa.org. Find out the dates for Sorticulture, Music in the Parks, Movies at Sullivan Park, 4th of July Parade, The Farmers Market and so much more.
